

# MCoR Membership Meeting

June 14, 2014

Memphis, Tennessee

Called to order at 9:35 am by Whit Johnson, President

Motion to dispense with the reading of the minutes from last year's meeting by Steve August and a second from Dave Heinshom. Motion carried.

OLD BUSINESS: Not aware of any.

The Region awards will be carried out at the banquet tonight.

NEW BUSINESS: Cars. That is a board item. The only comment is we are looking for a custom car project for next year.

Our 2015 regional convention will be in Jefferson City, Missouri June 5-7. Convention Chairman and Director is Brad Slone. We will be getting info out soon. The website will be up soon. We will have layout tours, clinics, Kalmbach speaker, and registration form on site.

Any other questions for Brad. Are you going to have any other way of payment such as PayPal? The Webmasters and I were working on that so we will try. When you put your information on the website will you put a registration form out?

Any other new business?

Motion to adjourn by Steve August; seconded by Larry Diehl
