# NOTES FROM THE EDITOR'S DESK

## 2<sup>nd</sup> notice

Well, I made an attempt to contact all listed in the previous issue of our “Caboose Kibitzer” by using the eMail addresses as printed, and had 43 returned with the message from the interNet providers stating the eMail addresses had “...permanently failed...” I was so amazed that I verified them by cross referencing them with those provided on the NMRA website...

So, would you please look over the information printed in this issue and send your changes to me at

alan.a.aagaard@gmail.com

This issue brings a very subtle change... that of the “Table of Contents” is now “HyperLinked” throughout this document - but it’s “invisible” (trust me, it works). PLUS, the added bonus of the active box at the bottom of most pages which will return you to the “Table Of Contents” with a mere click of your mouse. (...see, “old dogs are still able to learn new tricks”...LOL)

ALAN A. AAGAARD  
Newsletter Editor  
of both the  
“Caboose Kibitzer” and  
“Trails, Rails, & Tails” of the  
Chisholm Trail Division  
of NMRA

I am encouraging several to share their stories, experiences of their travels and experiences:

- The National Narrow Gauge Convention
- Rail Journeys from other countries
- Yes, we are all most proud of our MMR,

but let’s not over-look our most humble beginnings into this hobby. {Possibly, follow an NMRA member who is constructing his “empire/pike” from day one (as he’s pondering achieving “The Golden Spike Award” and beyond...).

Well folks, here is proof that your “Editor” was caught in the act of photographing the MOW equipment found on pages 7 - 9.

This image is courtesy of Phil Aylward, Director and Paymaster of the Chisholm Trail Division.

So keep your eyes focused as “we” continue to alter the “Look and Feel” of our “Caboose Kibitzer”.

## “Larry R. Long, MMR Memorial Award”

Presented to Robert A. Simmons, Western Kansas Division of NMRA

The award reads:

Heart of America  
The Mid-Continent Region / NMRA  
The Larry Long Memorial Award  
This award is dedicated to Larry Long.

He Served as President 1991 - 1993. Most of us knew Larry Long best from his IMAGINEERING CLINICS done with Pat Harriman. This award was envisioned to recognize the individual who has contributed to the hobby by encouraging us to remember that Model Railroading is Fun.

It is presented to an individual who is known for doing outstanding & entertaining clinics, doing some of the things that promoted the IMAGINEERING CLINICS, or involving members and non-members in fun modeling activities.

# tales from the road

## did someone yell: “Road-Trip”?

written and photographed by  
Alan A. Aagaard, Chisholm Trail Division

Despite the gorgeous appearing weather, much of our layout tour on Saturday, September 10, 2016, took us through the flooded areas of South Central Kansas

(including the area of  
The 45<sup>th</sup> Walnut Valley Festival  
Winfield, KS – “Pickers’ Paradise”)  
where several of our NMRA members were  
forced to evacuate to higher ground and were  
“scraping” mud off/out of their camping  
abodes, thus missing the “Layout Tour”.

Well, our second stop of the day was to  
visit two locations within Mulvane, KS.  
The first was a “new railroad store” and  
layout. and from the front door of the  
store was this view of the Mulvane ATSF  
Railroad Depot and Museum.

(pardon my **pointing** out the obvious, but  
here is the caboose hiding in the trees)

...and by following the arrows...

...you will see my “vantage point” for the next couple of pages of the  
Maintenance of Way (MOW) equipment sitting on a spur through  
this very busy location.

You will locate the invoice for the Caboose Kibitzer on the very next page.

I have changed some prices on the cost of ads to give a better price for vendors to advertise for a year and half. For the last 2 issues of 2016, and all of 2017. They will be getting a half a year free.

That also applies to the pike ads and NMRA Dealer ads.
